## natural beauty

Mixing raw, natural textures and neutral colors with a little shine is a big trend with major staying power. The mood is calm but the subtle range of texture and pattern keeps the look interesting.

## DRIFTWOOD LAMP COLLECTION

Skilled artisans build each of these eco-friendly lamps by hand. Pieces of fast-growing, sustainable vine are hand selected from the jungle in Northern Thailand and crafted into a unique organic sculpture.

Table Lamp Base (shade included) \$299

Floor Lamp Base (shade included) \$699
